ゆずります品物 3

品 名	ペット用バリカン		
写 真			
The image shows the retail packaging for a DoggyMan EX-Style pet clipper. The box is primarily orange and white. It features a photograph of a happy, fluffy white dog on the left. The product itself, a white and black electric clipper, is shown in a clear window on the right. Various Japanese text labels are present, including '強力 静音' (Powerful Silent), 'パワフルモーター搭載' (Equipped with powerful motor), 'ペット美容専用 カット刃' (Pet grooming専用 cutting blade), '刃こぼれしにくい ステンレス刃' (Blade that doesn't chip easily, stainless steel blade), '摩擦に強い 耐磨耗チタンコーティング' (Resistant to friction, wear-resistant titanium coating), '長時間でも疲れにくい バランス設計' (Balanced design, doesn't get tired even for long periods), 'コードレスで使いやすい 充電・交流式' (Easy to use cordless, rechargeable/AC type), and '刈りすぎを防ぐ! 刈り高さ調節ダイヤル付き' (Prevents over-cutting! Includes a cutting height adjustment dial). The image shows the DoggyMan EX-Style pet clipper and its accessories laid out on a textured surface. The clipper is white with black accents and a silver blade. Next to it are three black plastic comb attachments of different lengths, each labeled 'EX-Style'. To the right is the black power cord with a standard Japanese two-prong electrical plug.
